Last Friday, with approximately 85% of the Student Body voting, elections were held at Loyola and over twenty positions were filled. The four top positions went to Marty Snyder, Mike Rohm, Jim Kane, and Bill Scholtes. In the only two positions voted on by the entire school, Marty Snyder was elected President of the Student Body and Jim Nosker was elected President of the Athletic Association. Marty Snyder, an A.B. Latin major, defeated Charles Blair in one of the closest campaigns in recent years. Duck Blair received strong support from the Freshmen class, but Marty's slight favor in the Sophomore and Junior classes gave him a close 259 to 252 victory. Jim Nosker, on the other hand, received strong support from all classes and coasted to

a 300 to 197 victory over his worthy opponent, Jim Collins.

In the Senior class elections, Mike Rohm, Junior physics major, edged Wayne Thompson in another close contest 70 to 61. Jim Abraham, Junior economic major, was voted vice-president and the posts of secretary and treasurer went to Florian Wawrzniak and Jerry Przybyla respectively. Other Senior offices decided were: Paul Caruso, science representative, Charlie O'Donnell, social science representative, and Tony Rivezzo, business representative.

Junior Officers

The Class of '64 elected Jim Kane, a pre-med major, its president. Jim was a decided victor over his incumbent opponent, Chuck Lancellota, 118-74. Also elected to offices in the Junior year were Jerry Dotterweich, vice-president, Bill Harbold, secretary, and Joe Enoch, treasurer.

Soph Officers

Bill Scholtes, president-elect of the Sophomore class, won by the largest margin of the elections. Bill, a political science major, took a 146 to 25 victory over Tom Freburger. John Herrmann defeated previous vice-president, Bernie Vondersmith by a decided margin. In two closely contested campaigns Orville Mowbray was elected secretary and John Mitcherling was elected treasurer. Dennis Keating and Robert Quirk are the Sophomores' choices for representatives.

In the election rerun, held for the sophomore wednesday, Basil Brown defeated Steve Agnes by 23 votes for Business Representative. Frank Walsh defeated the incumbent Richard Lawrence by 11 votes for Social Science Rep. In the race for Natural Science Rep., both candidates Ken Dawson and Paul Montgomery tied.

Due to the tie for Natural Science Rep., there will be another election for the Natural Science Rep. today from 10 to 11 a.m. in the Student Center. All soph science majors should vote.

PRESIDENTS THREE: (l. to r.) Bill Scholtes, Jim Kane and Mike Rohm. The presidents elect of the Sophomore, Junior, and Senior classes respectively.

Editorial

The Few or The Many

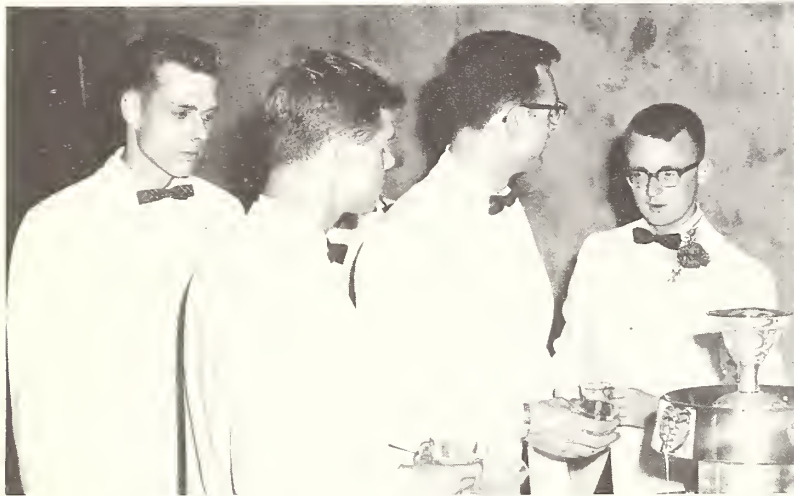

In the recent election campaign, both candidates for the Presidency of the Student Body expressed grave concern over a problem which has plagued our Student Council for many years. This problem deals with the proposed reapportionment of Student Council seats.

The objectors to this long sought after reapportionment have, in the past, maintained that underclassmen were not well-versed enough in school affairs to exercise a controlling vote in the Council. Supporters of the reapportionment have claimed that, since the Freshmen and the Sophomore Classes make up the majority of Loyola students, they should have the greatest representation on the Council.

Which of these two viewpoints seem to be the most feasible? Because of the reaction to the last campaign, it seems apparent that the students of Loyola would consider the second argument to be more acceptable. The many should exercise control over the few!

As the voice of the Student Body, The Greyhound wishes to confirm its stand on the reapportionment issue. We feel that, especially with the increased enrollment expected after the completion of the new building, the students are justified in wanting the council reapportioned, and we pledge ourselves to support this measure until it is finally achieved.

The Watchdog

Welcome back, dog lovers, from all of your Easter festivities. The dog has some tid bits for all of you to gobble up.

Word comes to the dog that our Dean of Men got a parking ticket while at a fire down at the old Swift Company. That was a swift kick, wasn't it?

The Junior Prom was a success, and so was the Cocktail Party. However, there was some talk of the Junior Pre-Meds putting up a quarantine sign when they learned that a Junior History major was at the Prom with a case of German measles.

We have been informed that Emory Elliott has at last returned from Elkton, but he hasn't as yet made it to Father Conlin's Sociology Class!!

Memo to Buck: Be present for the final exam in Sociology.

Father Conlin cordially invites all those who will be present at the Greyhound Office on Monday to do some work!!

Congratulations to all those students who were victorious in the student elections.

Tom Annulis

John Feller

The word "action" begins with the letter "a" and so does the surname of one of Evergreen's most active sons, Tom Annulis. During his four years as a student at Loyola, Tom has, time and time again, shown himself capable as an organizer and administrator of activities.

Currently, Mr. Annulis is a member of six activities, and holds an office of some sort or another in five of them. Tom's biggest achievement while at Loyola was the organizing and execution of the first Loyola Day last year. This year he is acting as an advisor to the Loyola Day Committee.

Who's Who

At the beginning of this year, Tom's name was included on the list of Who's Who in American College and Universities and has shown himself to be worthy of such an honor. Not only has Tom participated in many activities at Evergreen, but he has also managed to consistently make the Dean's List.

Plans

Tom, after graduating from Loyola, plans to go to graduate school to pursue his studies in Mathematics. In accordance with its S.O.P., Tom was asked of his opinion of Loyola. He replied, "I think that both in school spirit and scholarship, Loyola is finally realizing its potential."

Joe McCurdy

Joe McCurdy

Ever since Joe McCurdy came to Evergreen from Loyola High, he has had consistently high marks and has been in many activities.

Activities

Joe is vice-president of the Wolf and Kettle Society, vice-president of the Green and Grey Club, associate-editor of the yearbook, and corresponding secretary of the Student Council. He also holds membership in Alpha Sigma Nu, the History Academy, and the Evergreen Quarterly art staff. Joe has been on the Student Council for two years.

Future Plans

After graduation, Joe plans to go to Villanova Law School, and then become either a Labor lawyer or go into private practice. We are sure that Joe will be successful in anything which he attempts to do in the future. Surely, so fine a person deserves a very fine place in life.

Joe Chepaitis

Joe Chepaitis

Probably one of the most active and well-liked figures at Loyola is Joe Chepaitis, a senior history major who hails from West Balmer.

Among his many activities at Loyola are the I.R.C., of which he is vice-president, the Glee Club, of which he is Treasurer, and Alpha Sigma Nu. Joe is vice-president of Alpha Sigma Nu also.

"Mr. Chips" is also a representative of Loyola in Who's Who in American Colleges and Universities.

True Value

When asked of his opinion of Loyola College, Joe replied, "The true value of Loyola lies in the fact that it achieves the development of the fullness of human nature in an age of machines."

Joe plans to go to graduate school after leaving Evergreen, and we wish the best of luck there and in all his future plans.

The Greyhound is proud to salute this week one of Loyola's most intellectual and active students. This is not the only recognition which John has received, he was also named to represent Loyola in Who's Who in American Colleges and Universities. John also ranks among the top ten of his class. The culmination of all John's intellectual endeavors came this year when he was awarded a Fullbright Scholarship to the University of Munich where he will concentrate on Nineteenth Century German History.

John's activities are numerous. They include Alpha Sigma Nu, of which he is President, the History Academy, and the Wolf and Kettle Society.

The activities to which John devotes much of his spare time are as famous and well-known to Loyola students as are his school activities. These outside activities include his excellent collection of papers and material which pertain to John Cardinal Gibbons. He also corresponds frequently with T.S. Eliot. John also has the privilege of being the only college undergraduate ever published in the Catholic Historical Review.

The Greyhound wishes the best of luck to John at Munich and in all of his future endeavors.

Loyola Stickmen Lose To Jays And Delaware

Tuesday April 23, matched the Hound stickmen against their next door rivals, Johns Hopkins. The Hounds turned the tables on the over-confident Jays in the first quarter by jumping out to an early 2-0 lead before the Jays could wake up. The first goal came from the stick of John Stewart, while the second time, Marty Pilsch foiled the Hopkins netminder. But the Blue Jays came back with three goals in the first quarter in preparation for the second period,

Loyola's Netmen Defeat Mounties

The Loyola College tennis team defeated Mount Saint Mary's 9-0 on Saturday to bring their record to five wins and two losses. However they were defeated by Johns Hopkins in a very close match 5-4. This stands as the only loss as against three wins in Mason-Dixon competition.

Addition To Team

The addition of Larry McKenna will help the team immensely. He displayed excellent tennis in his first match against Hopkins, and he should be ready to make his presence felt in the second Hopkins encounter on the latter's court next week. Besides Hopkins, the Hound netters also travel to Western Maryland, Saturday, for another Mason-Dixon match. With a 3-1 record, the Hounds still have title hopes if they can get by Hopkins.

during which they fired 9 hits through the nets. The Jays kept adding to the score, but the Hounds stayed stable after the fateful 2nd period, allowing only six more goals and adding five of their own. Hopkins cover boy, Jerry Schmidt, had a rough time with the sharp defensive play of Tommy Milligan, and was able to notch only two goals throughout the entire contest. The Greyhound goals came from Marty Pilsch (2), Jack Palmer (2), John Stewart (1), Lou Becker (1), Jim Norton (1), and the assists were credited to Marty Pilsch (2), John Stewart (1), Jacques Remmell (1). Frosh goalie, Harry Bregel played the greatest game of his season, saving 24 shots.

Last Saturday, the stickmen traveled to Delaware for another contest. The Hounds led until the last period when the Delaware squad turned on the steam with four goals to cop the contest 8-5. Hound goals came from John Stewart (2), Marty Pilsch (2), Paige Fried (1).

Hound Trackmen Take Runnerup Spots In Relays

Last weekend the Greyhounds took a six man squad to the Mason Dixon Relays, and, although they were unable to pry loose any championships, they did take two second places in the 440 and 880 yard sprint relays.

The 440 team was composed of Tony Ryan, leading off, Bill Morris, Phil Pierpont, and anchor man, Arnie Sapperstein. The team was unable to pull the race out of the fire. The 880 squad was the same except that Tom Kenney replaced Pierpont as third man. The power laden Mounts again jumped out in front with an early lead, and despite a fine leg by Bill Morris, the Greyhounds had to settle for second. Morris also did well for himself as he finished fifth in the broadjump competition.

After the Hounds host Washington College tomorrow, they will begin preparations for the championship tournament next weekend. The Hounds' main hope for individual championships is defending 100 and 220 champ-Arnie Sapperstein. Both soph Tony Ryan and Bill Morris are also counted on to do well in the sprints. Charlie Cherry, returned from the injured list, has a good chance for the high jump crown.

Hound Nine Posts 5-1 M-D Conference Log

by Bob Schu

By winning 5 of their last 7 outings, the Greyhound nine has planted itself firmly atop the Northern Division of the Mason-Dixon Conference with a 5-1 log. After dropping four straight decisions to tough non-conference foes, the Hounds opened the regular season with a 4-3 victory over Catholic U. Lefty Phil Potter retired the side in the ninth inning and preserved the win for Jody Satterfield. Bob Rossi's single and double paced the

Hounds' six hit offensive.

On Saturday, April 14, Loyola's Rel Van Daniker pitched masterful 3 hit ball for 9 innings only to be outshone by Johns Hopkins' Dave Leonard whose 2 hit hurling eked out a 3-2 win for the Jays in the 10th inning.

Double Shutout

Coming back strong after an 11-7 defeat by Georgetown, the Hounds took two from Baltimore U. on the latter's field. Triples by Dave Marshall and Bill Heidel and a great 3 hit performance by Van Daniker gave the Hounds a 3-0 win. Behind the 4 hit pitching of Phil Potter the Hounds shutout the Bees again as they won the second game, 2-0.

Hounds Sweep Mounts

Two doubles by Al Schroeder, a pair of singles and a double by Dave Marshall and a triple by Ed Burchell gave Phil Potter a 7-6 victory over Mount Saint Mary's in the opener of last Saturday's double header. A two run homerun wallop by Dave Marshall and another round-tripper by Bob Rossi enabled the Hounds to take the second game by an identical 7-6 score.

Linksmen Ready For Title Play

The Greyhound linksmen have now completed their regular season, and have compiled a 3 win 2 loss record. They defeated American University, Mt. St. Mary's and Western Maryland, and dropped their matches to Baltimore University and Johns Hopkins. This Monday the Greyhound golf team will travel to Stanton, Virginia for the Mason Dixon Championships.

Bill Mislowsky has been the most consistent golfer and Bill Kohlhepp has been the real surprise of the team. Backing up these linksmen is the steady play of Ed Conway, Vince Petroniero, Mike Kenney and Steve Krac.

Intramurals

Since the last issue of the Greyhound, the Intramural Basketball and Bowling Championships have been decided. The Polar Bears beat the Porky Pigs 33 to 23 for the basketball title. John Campbell and Mike Elliott had 12 and 10 points for the victors. Ed Burchell, Charles Cherry, Den Voith, Relmond Van Daniker, Ed Dohler, and Noel Negretti composed the rest of the winning team. Buzz Lucas, Ed Gunkel, and John Kircher starred for the losers.

Bowling

Bill Smuck's Willie's Winners won the Intramural Bowling title by taking 4 straight games from Sam and Friends in the championship rolloff. Other members of the winning team were: George Schroeter, Jim Kennedy, Carl Cuneo, and Don Burke.

Softball

In recent softball action, the Mafia beat Barbaroso's Blasters by a score of 16 to 11. The Beings edged the Uncle Willies by the extremely close score of 22 to 3. Finally, the Zorches defeated the Thumpers by a 19 to 8 score. Play in the Intramural Softball League will resume next Wednesday.
